Presenter: Gautam Taneja, Interim Information Security Officer

- National Cybersecurity Awareness Month
- How to Stay Safe Online
- Cybersecurity is the protection of computer systems and networks from attacks by malicious actors that may result in unauthorized information disclosure, theft of, or damage to hardware, software, or data...
- Wherever there is technology, there needs to be cybersecurity to keep our data safe.
- 4 Easy Ways to Stay Safe Online
 - Strong password and password manager
 - Create strong passwords that are long, unique, and random
 - Use a password manager to store passwords, alerts you of duplicate passwords, generates strong new passwords, some automatically fill in your login credentials into a website, and it won't fall for phishing website
 - Turn on multifactor authentication
 - A code or security key sent to your phone, email, or authenticator app
 - Biometrics such as fingerprint and facial recognition
 - Use for email and accounts with financial and personal information
 - Recognize and report phishing attacks
 - Phishing red flags are the tone is urgent or scary, sender email address does not match the company it's coming from, unexpected communication, requests to send personal information, and misspelled words, bad grammar, and odd URLs
 - Don't click on any links you don't trust, delete the email/text, don't click any attachments you were not expecting or recognize, and don't send personal information online or over the phone

- Do verify the communication is real and contact the sender directly through known phone numbers or emails, report it to UHS IT Security using the Report Phish button, and delete it
- Update your software
 - Updates ensure your devices and apps are protected from the latest threats, don't click on "remind me later" as it could leave you vulnerable to cyber threats, and automatic updates are the easiest way to stay secure
- Common Ways Identity is Stolen
 - Data breaches and leaks
 - Phishing emails and phone scams
 - Skimming and card theft
 - Online scams using social engineering tactics
- Steps to Take After Being a Victim of Identity Theft
 - File a complaint with the [Federal Trade Commission \(FTC\)](#)
 - Contact your bank or credit card company immediately
 - Consider placing a fraud alert on your credit report
- Tips for Preventing Identity Theft
 - Monitor your accounts and credit reports regularly
 - Use strong passwords and enable 2FA
 - Avoid sharing personal or financial information online
 - Be cautious when using public computers or devices

11 Special Guest

10:40 am

Presenter: Ms. Chris Noble – The Rose

- Breast Cancer Awareness Month
- Domestic Violence Awareness Month
- [The Rose Breast Center of Excellence](#)
 - o The Rose will have a table at the [Boo Bash](#)
 - o Ensure that all women have access to mammograms whether insured or uninsured.
 - o Insured women coming for mammograms makes things possible for uninsured women to get mammograms and treatment.
 - o Because The Rose is nonprofit, proceeds, if The Rose had been a for profit, are used for insured women to get a mammogram and treatment if needed.
 - o The Rose provides ultrasounds, biopsy, screening mammograms, diagnostic mammograms, and testing.

This agenda is subject to change at the discretion of the Staff Council Executive Board.

- Do not have to pay for parking and quick service.
- Contact Chris Nobles directly at cnoble@therose.org.
- Insurance pays for insured women.
- Uninsured women must meet qualifications of \$62,000 or less income for family of 4 or \$400 - \$500 a week for 1 person.
- If uninsured and do not meet the qualifications it is a little over \$200 for a mammogram.
- If a man notices something odd on his pectoral region, see a doctor because breast cancer is a possibility.

STAFF COUNCIL OLD BUSINESS

▪ Staff Council Suggestion Received

What type of suggestion would you like to make?

Policy Review Suggestion (policy-related concern you would like Staff Council to explore)

Policy number

01.A.08 - Travel Policy

Describe your concern or suggestion.

The concern is with the Embargo Form. I understand that the travel policy is being revamped to align with Concur now but one change that has been occurring that we were not doing originally is requiring the Provost Signature on the Embargo Form. Section 3.3.6 states that we need approval from the ORSP, if required. The form clearly states that if you answered "Yes" to one of more of questions (a) through (d) or if you answered "No" to question (e) then we are to contract ORSP to obtain approval. So why are we required to get the provost signature on every Embargo Form, which usually takes at least a week for it to be signed. Once we receive it back, then we submit the travel request in Concur to be approved by all including the provost (again) in Concur. It's a "double" approval for the same thing.

In your opinion, what is the best resolution to this issue?

I believe the best solution to this is to go back to the regular process, which follows policy and not obtain the provost's signature. Upload the document and the provost's approval in Concur will confirm that they are approving the documents attached also. Another option is to require someone else to sign the document, other than the provost. While this will still take more time, at least the provost is not "double" approving something.

▪ Action Taken:

This feedback/suggestion was sent over to Heather Davis in ORSP and the response provided was that she spoke with the Travel Office and Dr. Bordelon and the policy on the Travel Embargo form will be followed – ORSP will be the contact and sign the form. Additionally, Heather will be updating the information on the Embargo form and the web.

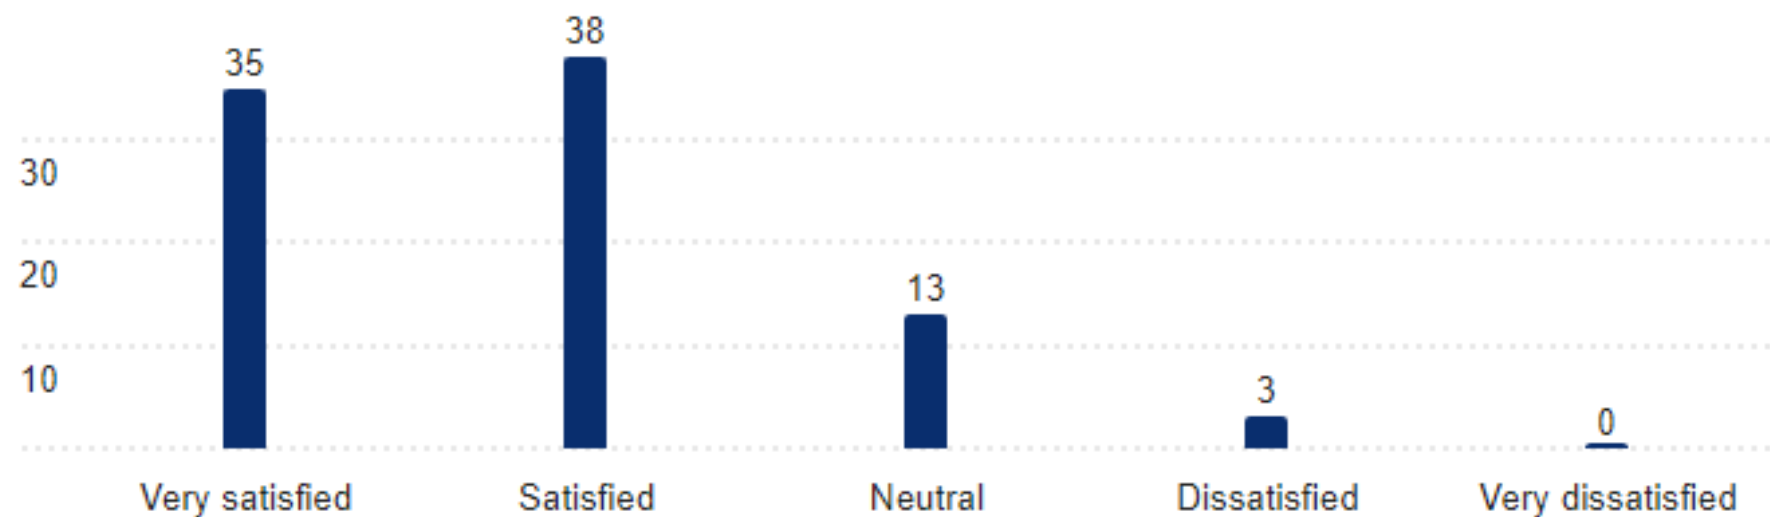

New Update: Upon searching for this form on the UHD website, it was discovered that a duplicate form exists along with some broken associated hyperlinks that reference this form. Provost Office has been notified and these revisions are being worked on.

ADDITIONAL OPEN FEEDBACK

Do you have any additional comments or suggestions for the UHD Staff Council?

Do you have any additional comments or suggestions for the UHD Staff Council?

I only ranked the items based on what I was available to attend. I did not have a chance to attend almost all of them. I didn't even know about the pumpkin carving.
Suggestion can we have the voting polls here?

Staff Council is more needed than many realize. UHD Staff members need appreciation and recognition for their individual contributions.

Focus on important issues to staff. Parking has been an issue for over a decade and has not been addressed. The awful and over priced meal options in the cafeteria has been given only lip service.

Not at this time. Thank you for the opportunity to provide feedback. I will also improve on my end by attending more meetings, workload permitting. I greatly appreciate the virtual option for meetings.

Consecutive service by the same staff should not be allowed. Encourage others to serve.

Please offer veggie options when doing food. I was unable to eat at some of your events.

Plan for more food at events, several times I went to an event just to be told food was gone, I showed up no more than 20 minutes after the event started due to a prior work commitment just to find out food was gone.

Staff Council significantly improved in addressing staff concerns.

Review the University's strategic goals A-H and inform staff how they can individually support these goals outside of daily operations.

n/a

Not at this time, but thank you for asking.

Have more events at the other buildings also.

ADDITIONAL OPEN FEEDBACK

I am excited to build on our Events Committee and plan new exciting activities (Tesha)

I think the events were great ideas, and I hope they will continue. I was unable to participate due to other scheduling conflicts, but I will try to participate in future events.

Not at this time.

Glad to have the monthly meetings via Zoom.

Give t-shirts that we can wear on Fridays.

Previous years we had staff day at the Astros, bring it back.

Not at this time.

Great job!

Nothing comes to mind at the moment.

CLOSING COMMENTS

Mission

Recognizing that staff is integral to the functioning of the University of Houston-Downtown, the Staff Council will be an advisory body to the President of the University and promote positive and meaningful communication among UHD staff, the President, and the University community in order to achieve the Staff Council's goal of providing UHD with a collective voice in staff-related University matters.
