Enrollments in classes starting after the official day of record for the Spring semester are not included.

Winter Term is not included.

MBA Certificate only students are included in internal (and federal) reports as Graduate students. In state reports they are considered post baccalaureate students.

Beginning Fall 2016, UHD implemented a policy that allows new students to declare their major upon admission to the University, if eligible. This results in a larger number of new students declaring majors than in previous years. This change is partially responsible for the increase in undergraduate majors (and decrease in undeclared majors) throughout the university.

This report includes students who are non-resident, located out of state, taking only online classes that could not be included in state reports per their instructions (Spring 2013: 1 student, Spring 2014: 2 students, Spring 2015: 2 students, Spring 2016: 3 students, and Spring 2017: 7 students).

¹ The Security Management program has moved to the College of Business effective Fall 2014. To allow easier comparison across time the prior years' information is also listed with the current college.

² The Professional Writing and Technical Communication degree is being phased out, and students in this program can decide to finish it or change over to the new Technical Communication degree, introduced Spring 2015.

³ The Computer Information Systems (CIS) and Enterprise Information Systems (EIS) majors are being phased out, students in these majors can decide to finish or change over to the new Management Information Systems (MIS) major, introduced Fall 2016. To allow for more quick comparisons, a subtotal combining CIS/EIS/MIS has been added.

Note: UHD uses fall numbers as OFFICIAL university figures.

Comparative data is as of the same point.

Enrollments in classes starting after the official day of record for the Spring semester are not included.

Winter Term is not included.

Beginning Fall 2016, UHD implemented a policy that allows new students to declare their major upon admission to the University, if eligible. This results in a larger number of new students declaring majors than in previous years. This change is partially responsible for the increase in undergraduate majors (and decrease in undeclared majors) throughout the university.

This report includes students who are non-resident, located out of state, taking only online classes that could not be included in state reports per their instructions (Spring 2013: 1 student, Spring 2014: 2 students, Spring 2015: 2 students, Spring 2016: 3 students, and Spring 2017: 7 students).

¹ Effective Fall 2014, the CSET and MS departments have been reorganized. To enable easier comparison over time the previous years' information has been put into the current department structure.

² These programs have been discontinued.

Note: UHD uses fall numbers as OFFICIAL university figures.
